Dott. Ing. Patrizio R. Puggelli

Collaboratori:

Dott. Arch. Mirco Guasti
Dott. Arch. Lucio Innocenti
Dott. Arch. Anna Albanese

Tavola:

AR11

A wide-angle architectural rendering of a modern school building. The building features a prominent glass-roofed section and a large, open-plan interior with a wooden floor. A wide staircase leads up to the entrance. The building is situated in a valley with a small town in the background and a range of rugged mountains under a clear sky.

A rendering of a school courtyard. In the foreground, a paved walkway leads through a grassy area with vibrant orange flowers. A woman in a red jacket walks towards the camera, while a man on a bicycle and two other people are further back. The background shows a modern school building with a glass roof and a courtyard with trees and hanging plants.

A rendering of a modern classroom. The room has large windows with vertical blinds, wooden desks, and orange chairs. A large digital screen displays a Windows desktop. Several students are present: a woman standing near the screen, a man with a backpack walking, and two other students standing near the windows. A desk in the foreground has a backpack and school supplies.
